The game begins with Herbert in the Toy Department. At the top of the screen you will see a clock which is set at 1 P.M. You must get Herbert back to his parents in the "LOST AND FOUND" by closing time, 5.30 P.M. To achieve this you must solve the adventure as well as completing the many and varied arcade sequences. These games are also playable in their own right, though you will find that you will require certain items to play some of them. To hit a tennis ball, for instance, you would normally use a TENNIS RACQUET and to bomb buildings you would need a BOMB.

Using the lift is an easy way of moving around the store but only if it's on your floor. If it's not you will get a sinking feeling. Climbing ropes could be handy but you may come across a jumbo sized problem. In order to reduce your tears you will need to find and eat various goodies.

Herberts progress is rewarded by his greatest love - JELLY BABIES. The closer he gets to being re-united the more he will get.

Don't start crying yet - Show us what a BIG BOY you can be.
